Stewardship Bulletin Reflection
December 6, 2020 – Second Sunday of Advent

We serve a merciful and patient God. In His kindness, He warns us that we will be called to make an account one day for the way in which we made use of the gifts He has given us.

The most precious gift He has given us is His own Son, whose birth we are preparing to celebrate.

St. Peter describes the loving kindness of the Father in our Second Reading today, saying God ***"is patient with you, not wishing that anyone should perish but that all should come to repentance."*** Yet, in the same passage we receive this warning: ***"The Lord will come like a thief, and then the heavens will pass away with a mighty roar... and the earth and everything on it will be found out."***

How are we to assimilate these two truths — the merciful love of God and the responsibility that comes with the privilege of living as His disciple? St. Peter tells us we should conduct ourselves ***"in holiness and devotion."*** Indeed, this is the goal of our Advent ***"reset"*** — to return to living lives focused on Christ, in gratitude for all He has done for us.

In our Gospel passage from Mark, John the Baptist instructs us to ***"prepare the way of the Lord, make straight his paths."*** We must make good use of the gift of time we have been given this Advent season. Let's be sure to get to Confession, prioritize a daily reading of the Scriptures, and reach out to someone in need with a word of comfort or an act of service.

In this way, we will honor both the mercy and justice of our God, and we will be prepared to celebrate the birth of Christ and give account for all His gifts to us.
