Please sign the petition to the House of Commons at the back of the church. Many organizations such as churches, crisis pregnancy centres, camps and ministries are at risk of losing their charitable status if they don’t sign on to a values attestation proposed by the federal government. This petition is to put pressure on the government to affirm the right to freedom of expression by rejecting the addition of a values test to charitable status applications. If you agree, please sign, or take a sheet to collect signatures and mail it to Ottawa. No postage is required. Simply fold the sheet of paper and tape closed before mailing.

Vocation Corner

Third Sunday in Ordinary Time – C

A Vocation View: The word of God becomes the flesh of God when YOU live it in your life. Believe what you read; live what you believe. Be the face of Christ for others.

Prayer: For all men and women called by Jesus to teach the Gospel as priests, deacons, sisters and brothers, that the joy of the Lord will remain their strength during their discernment, formation and mission, we pray to the Lord.

Action: The Christian faithful have an obligation to foster vocations to the priesthood and the religious life by living faithfully the call to holiness, by holding vocations to the priesthood and the religious life in esteem, and by encouraging young men and women to consider the possibility of a call from God to the ordained or consecrated states.

January 23, 2022 — Third Sunday in Ordinary Time

In St. Paul's letter to the Corinthians, it **states** “*If they were all one part, where would the body be? But as it is there are many parts, yet one body*” (1 COR 12:18-20).

What does this teach us as Christian stewards? It shows us that we all have equal dignity and worth in God's sight, and that if God sees us as equally precious, we should view each other in this same light. It teaches us to humbly recognize our own gifts as well as the giftedness of every member of our parish family, and, while God designed us to be ultimately dependent on Him, it seems He has also designed us to need each other!

This is part of the beauty and richness of a stewardship way of life. No one person can “**do it all**” in life — whether in family life or parish life, but God does not ask us to do it all. He simply asks us to share the gifts and talents we do have in the season of life we find ourselves right now. It might feel uncomfortable at first, but the good news is you don't have to do it all. Do your part, let your brothers and sisters in the Body of Christ do theirs, and know that the Spirit of the Lord is upon us all as we live out this stewardship way of life.

*“Prayer is the fastest thing on Earth... it reaches God
before you even say it.”
