DIOCESAN EVENTS

RESCHEDULED - ZOOM TRAINING

SACREDTABLE is a Diocesan Initiative that aims to support families using a 2-pronged approach: training parish leaders to accompany parents and strategic planning for ministries with families. The new training will take place on two Mondays, February 9 and 23, from 6:30 to 8:00 p.m. To attend the second evening, one must have participated in the first.

Here is the new registration

link: <https://forms.gle/jYfc8nrRitMvx5Q7>

A few takeaways from those who participated in the Diocesan SacredTable leadership training in the fall:

* I need to build a relationship with the parents by having conversations with them about where they are in their faith journey.

* The importance of forming a relationship with parents and making them welcome when they do come.

* Without first accompaniment and a faith foundation in the family, our efforts yield poor results. Education without formation bears little fruit. * Parent accompaniment is Necessary! (emphasis added by participant)

Prayer: That God's love for us manifest in the gift of His only Son will inspire many men and women to give themselves to God as priests, deacons and in the consecrated life, we pray to the Lord.

Fifth Sunday in Ordinary Time

Today's readings are both encouragement and instruction for us as Christian stewards. They offer clear direction on what matters most to God and how He calls us to use the gifts He has entrusted to us.

In the first reading, the prophet Isaiah gives us straightforward guidance: **"Share your bread with the hungry, shelter the oppressed and the homeless; clothe the naked when you see them, and do not turn your back on your own."** There is no ambiguity here. Caring for our brothers and sisters in need is not optional — it is a fundamental responsibility of the Christian steward.

Yet the Lord also reminds us of His generosity when we live this way. **"Then your light shall break forth like the dawn, and your wound shall quickly be healed."** When we give of ourselves, we do not lose — we gain. God's grace grows within us, and we experience deeper joy and peace as our lives become more aligned with His will.

In the Gospel, Jesus speaks plainly to His disciples — and to us — calling us the **"salt of the earth"** and the **"light of the world."** But salt loses its purpose if it goes stale, and light cannot shine if it is hidden. Our faith must be lived, not concealed. We are called to act so that others may see the way we serve, how we care for the vulnerable, how we prioritize our families, and above all, how we love God — and through our witness, give glory to Him.

This is the stewardship way of life. Let us embrace it fully.
