

ANNOUNCEMENTS

11th Sunday in Ordinary Time – June 13th & 14th, 2026

1. We hope to see many of our CWL members Monday afternoon at St. Joseph's for an indigenous presentation, starting at 1:00 pm. We have been invited by the St. Joseph CWL Council to watch a webinar entitled "Walking with our Indigenous Sisters", and to hear a live presentation by Shona Gladue of Moosomin, talking about the value system of the Cree people, through Circle of Life and Tipi teachings.
2. Everyone is invited to view the award-winning film "Life Worth Living", on Tuesday, June 16, at 7:00 pm in St. Bernadette Hall. This film explains what has happened in Canada, while featuring important personal stories related to euthanasia. Let us do our part to be informed about these issues, so we know how to act when faced with heavy decisions.
3. Again, we remind you to sign the petition at the back of the church. First – to prohibit unsolicited offers of MAiD to any patient, and second to protect healthcare providers, who choose not to aid in the provision of MAiD, from professional or legal repercussions.
4. Please be reminded that there are no daily morning masses at Notre Dame Parish during Father Millan's absence. There is, however, an hour of Eucharistic Adoration on Wednesdays from 10:00 am to 11:00 am.

For 11:00 am Mass only:

Please come down for coffee or tea and donuts after mass today. Let us take a moment to relax and share some fellowship with other parishioners.
